Please Note

GENERAL CONDITIONS

1. VASCSC reserves its right to accept or reject any application.
2. As the seats are limited, participation is subject to the confirmation by VASCSC.
3. Mere submission of registration form does not give the applicant any right of admission to the training workshop .
4. The participant should be medically fit to participate in the training.
5. Participants should obtain the necessary nomination from the institution, with sign and seal in the registration form.
6. The programme schedule and activities are subject to change without prior notice.
7. Participants are required to attend all the sessions of the training workshop.
8. Participants can register for any one of the workshop.
9. Registration form should reach VASCSC before the application deadline mentioned below.

LOGISTICS

1. These training workshops are a part of the project supported by Oracle, hence there is no participation fees.
2. The participants are required to bear the cost of their travel to and from Ahmedabad and arrange for their own accommodation.
3. Local participants will have to reach VASCSC on their own.
4. Outstation participants should plan their travel in such a way that they reach Ahmedabad on previous day of the workshop and depart after 6:00 pm on the last day or by next day morning.
5. For outstation participants, we can provide guidance with regards to accommodation, if needed.
6. Simple vegetarian food and tea/coffee will be provided during the training days.
