## Application Form

### Instructions for Filling up the Application Form

1. If as a result of your application, you are invited to an interview or other kind of selection procedure, the material in this form will be used as a basis for discussion between you and whoever meets you. You may then, of course, amplify or modify any information you have given, or introduce anything which has not been covered but which you feel might have a bearing on your application.
2. All the sections should be filled fully and if a particular section is not applicable, please write 'N.A.'
3. Please note that mentioning percentage alone or the marks obtained by you in the examination is not enough. You have to clearly mention in which Class you have been declared passed. If your University/Institution has awarded only grade points, enclose a conversion sheet. In the absence of information regarding the "Class" in which you have passed the examination, the application is liable to be rejected.
4. Please state the number of years of experience clearly with documentary evidence. Please also ensure that the details you furnish account for the entire time period which has lapsed since you were awarded your qualifying or first degree or equivalent, in terms of study period, work period, period of unemployment, etc.
5. Please note that all original certificates in proof of educational qualifications, experience, etc. mentioned in your application would have to be produced at the time of interview.
6. In the event of your selection, a certificate regarding your release from your present employer has to be produced at the time of joining.
7. The furnishing of false information or suppression of any factual information in the application form would be a disqualification and is also likely to prejudice any future applications by the candidate to VAS CSC.

If the fact that false information has been furnished or that there has been suppression of any factual information in this application form comes to notice at any time during your service your services are liable to be terminated.
